

The Villages Soccer Club 2011 Sponsorship

Philosophy

Our goal at The Villages Soccer Club is to provide highly competitive environment while concentrating on the development of players. We believe in developing player skills on both the individual and team levels. We will concentrate our efforts on building soccer skills - through a quality curriculum - because we don't necessarily want to be the biggest soccer club in the area, simply the BEST soccer club in the area. This will be achieved and maintained through appropriate assistance, instruction and training.

Mission Statement

Our mission is to promote the growth of and appreciation for, the game of soccer by providing the greatest opportunity for players to develop their soccer skills and knowledge in an environment that promotes teamwork, sportsmanship, and mutual respect.
